

REMARKS

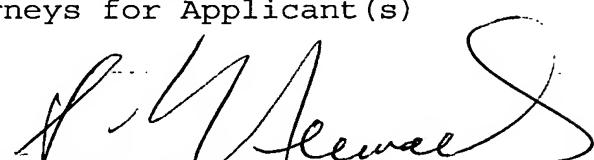

As kit claims are already present in co-pending application 10/814,195, such kit claims having been restricted out of parent application 09/720,967 (now USP 6,780,605), the kit claims of the present application are being deleted above without prejudice.

Thus, all of applicant's kit claims are now in co-pending application 10/814,195. Deletion of such claims from the present application is made without dedication, disclaimer, abandonment, waiver, forfeiture, renunciation, concession or surrender of any kind.

Respectfully submitted,
